Hard skills

Pentalog
software factory

Backend knowledge

- Core PHP
- ORM
- Multi-processing / threading
- REST API
- Web frameworks
- Symfony

Pentalog
software factory

Clean code/Engineering practices/Tools Testing

- Testing
- OOP / SOLID
- Design patterns
- PSR
- Debugging
- App security knowledge
- Algorithms
- Search Engines
- Other programming languages

Pentalog
software factory

Frontend knowledge HTML

- HTML
- Javascript
- CSS

Storage Databases - NoSQL

- Databases - NoSQL
- Databases - SQL

DevOps

- Systems administration / DevOps
- GIT
- Continuous Integration

Soft Skills Technical leadership

- This part results from communication with interviewee.

- Technical leadership

- Communication

- Agile/Scrum

How your Peer sees you?
How you see yourself?

Thank You !!!
